What I came to do

Jesus had the power of God to heal and to cure illness; that made him a free doctor, the sick and the injured from the whole of Galilee were brought to him for healing.

When the four Apostles found him praying in a lonely place, they told him that all Capernaum was searching for him, and he knew why they were searching for him. His answer to the Apostles shows that his mission had an entirely different objective. He had come on earth to bring spiritual salvation and blessing on all people.

Marriage Sunday

Cardinal Collins has designated this weekend of February 7/8, 2015 as Marriage Sunday in the Archdiocese of Toronto. The event provides an opportunity to honor husband and wife while saluting the faithfulness, sacrifice and joy that comes with the marriage covenant. To those preparing for marriage, newlyweds and those that have been companions on the journey for decades, we offer our prayers and best wishes in a special way this weekend. Let us celebrate the tremendous contributions of married couples who continue to strengthen our faith community.

World Day of the Sick

***“Liturgical Feast of Our Lady of Lourdes”
“World Day of the Sick”***

Observed and celebrated throughout the universal Church the memorial of the Blessed Mary Virgin of Lourdes and the World Day of the Sick. This is a favorable time to reflect on the meaning of pain and think about the close connection that exists between the Mystery of the Eucharist, the role of Mary and the reality of human pain and suffering.

***Together we are continuing to work
wonders...***

Pope Francis encourages us to show loving concern for each other, and in so doing care for those who are often forgotten. As a Catholic community, how does the challenge to show this love for our neighbor manifest itself across our archdiocese? Through ShareLife agencies, we reach out to some of the most vulnerable and needy difficult times. As we begin the ShareLife Campaign, please consider ways of supporting ShareLife, our annual Archdiocesan appeal, during this approaching Lenten season. – Thomas Cardinal Collins, Archbishop of Toronto (First ShareLife Sunday – March 1, 2015)

***Catholics urged to Support Physicians’
Charter Right of Freedom of Conscience and
Religion***

The College of Physicians and Surgeons of Ontario (CPSO) in a proposed new draft document states: “Where physicians are unwilling to provide certain elements of care due to their moral or religious beliefs, an effective referral to another health care provider must be provided to the patient”. Catholic physicians believe that a mandate for an “effective referral” is a violation of a physician’s rights, as it *compels the physician to violate his or her own conscience by being a participant in the very act, the very procedure to which he or she objects in the first place.* The CPSO is accepting submissions from all Ontario citizens until February 20. We are all called to inform the CPSO in writing that we reject the proposed “effective referral” mandate for doctors whose Charter right of freedom of conscience and religion must be respected. The Catholic Civil Rights League (CCRL) is one Catholic lay group coordinating these efforts. Go to www.ccrl.ca to find out more and to get involved.

Serra Vocation

Jesus created much excitement in His day through His preaching, teaching, and healing. Today, the Church communicates that same wonder and grace by those active in priesthood, religious life, and lay ministries. If you think God is calling you to a Church vocation, call Fr. San Valentino protettore degli innamorati

Considerato il patrono degli innamorati poiché la leggenda narra che egli fu il primo religioso che celebrò l'unione fra un legionario pagano e una giovane cristiana. Secondo altre fonti invece sembra che il titolo di "patrono degli innamorati" gli sia stato attribuito nel Medioevo poiché si riteneva che il 14 Febbraio, giorno della sua festa, gli uccelli iniziassero a nidificare segnando il risveglio della natura e dunque dell'amore.
