### *The Lord's way unfair?*

Most human beings love a happy ending. This usually means that the good guy wins and the bad guy loses. This concludes everything with a neat, pat answer. But life is not that simple. Few people act out of pure motives--good or evil. Even those with sinister objectives may have had bad experiences behind their goals. Judgments are too often made insufficient understanding of why people act. God knows the whole person from birth to death. His judgment is based on all factors. Moreover God sincerely loves each of us and wants us to change. If the wicked person can alter the course of his or her life, the Lord is anxious to forgive. Too often, we only want revenge. God's way is fairer. *(Lonsdale Commentaries & Clip Art)*
