Israel-Palestine peace comes out of friendship on Abraham's Tent

A group of Israeli youth, consisting of Muslims, Jews and Christians spend two weeks in a multi-faith camp with young Canadians. Sharing their beliefs, stories and struggles through play and prayer, the young people gain a deeper appreciation of the beauty and meaning of each others' faiths and cultures as the seeds of peace and understanding take root. In a world plagued by religious conflict, this inspiring short documentary shows us how simple it is for people who are different to live in peace.
