### As one born abnormally

Saint Paul gives some biographical information as he testifies to the validity of his doctrine. He mentions several post-resurrection appearances of Jesus--including some not otherwise mentioned in the Gospels. He ends with a recollection of his own vision of the Risen Lord. Because Jesus had ascended into heaven some time before, Paul felt that his experience made him like a child born after the normal time. Paul had encountered Jesus while traveling to Damascus, Syria. His mission had been to arrest and execute Christians. Suddenly a bright light and powerful voice literally struck Paul. This experience would heavily influence Paul's teachings, especially that of the spiritual link between Jesus and all of his followers.

### Marriage Sunday

Cardinal Collins has designated this weekend February 9/10 as Marriage Sunday in the Archdiocese of Toronto. The event provides an opportunity to honor husband and wife while saluting the faithfulness, sacrifice and joy that comes with the marriage covenant. To those preparing for marriage, newlyweds and those that have been companions on the journey for decades, we offer our prayers and best wishes in a special way.

### Parishioners Feedback Needed

It has been suggested that the parish should do a new Pictorial Directory in recognition of a special occasion since 2019 marks St. Leo's Parish 110 Anniversary. The suggested frequency for church pictorial directory is every 10 years. Our last pictorial directory was done in 2009. The directory is an excellent reference for helping families to get to know one another; it is similar to a high school yearbook. However in order to proceed with this project we must have a fair number of parishioners interested and committed to the program. The program is free, you will receive a free directory and a free portrait; there is a charge for any additional portrait. For the next few weeks we will offer sign up forms in the back of the church for parishioners who are interested in participating on this new project. Your advice is needed.

### **The Tabernacle**

The Tabernacle of our church is a sacred place. Jesus dwells there in the mystery of the Eucharist. The Sanctuary candle reminds us that he is truly present. Catholics show their faith in the "Real Presence" by genuflecting toward the Tabernacle each time they enter or leave the church. A spirit of prayerful quiet and attention should be maintained in the area near the Tabernacle out of respect for the presence of the Lord.

### **A very special Valentine Day!**

Valentine's Day will make its grand entrance again this week. The florists, the candy makers, and the greeting card companies are prepped and ready to go. Chocolates, flowers and cards will prevail. How about doing something kind and loving for someone else this year on Valentine's Day? Find someone who maybe won't be getting chocolates this year, and send them some. Or send some flowers or a card. You don't even have to say why you're doing it. Just let someone know that they are loved this year on Valentine's Day... because they are!
