The unacceptable Prophet

After achieving success as an itinerant rabbi and miracle-worker, Jesus returns to the town of his childhood. At first he is hailed as the local-boy-done-good; then jealousy arises. Jesus had been a simple carpenter. Apparently he had not

worked miracles while growing up, nor demonstrated any special knowledge. The locals think that they know Jesus and are aghast at his sudden fame. Jesus reminds them that there is a history of rejected prophets in the Old Testament. The townsfolk literally reject Jesus, trying to throw him off a cliff.

Parishioners Feedback Needed

It has been suggested that the parish should do a new Pictorial Directory in recognition of a special occasion since 2019 marks St. Leo's Parish 110 Anniversary. The suggested frequency for church pictorial directory is every 10 years. Our last pictorial directory was done in 2009. The directory is an excellent reference for helping families to get to know one another; it is similar to a high school yearbook. However in order to proceed with this project we must have a fair number of parishioners interested and committed to the program. The program is free, you will receive a free directory and a free portrait; there is a charge for any additional portrait. For the next few weeks we will offer sign up forms in the back of the church for parishioners who are interested in participating on this new project. Your advice is needed.

Sunday: The Original Feast Day

Sunday, the day of the Lord's resurrection, is the original Christian feast day. Following the tradition handed down from the Apostles, we gather in community to hear the Word and to celebrate our communion with Christ in the banquet of his Body and Blood. Catholics who come to Mass bring themselves closer to Christ and the communion of the Church.
