## Caesar

A few centuries before the birth of Jesus, Israel had been conquered by Syria. It appealed to Rome for help. The Romans readily agreed and then took over completely. They heavily taxed the Jews, forcing them to pay in Roman currency. Their religion forbade creating images of animals or humans, so this currency--the Denarius--was hated. This was a political hot potato in the time of Jesus. Many condemned taxation, but feared to debate it openly. Some religious leaders try to trap Jesus into accepting one side or the other. He neatly avoids breaking the laws: civil and religious. At the same time he expresses the need to cooperate with civil authority.

The Masses are also archived and accessible on the Archdiocese of Toronto YouTube page for the faithful to view later in the day.

### About envelopes use

If you could keep in mind the following when preparing your offering envelope:

- Write the amount offered on the envelope
- Avoid packing your envelope with too many coins, they fall out and rip the envelope seal.
- Please do not use any kind of tape to seal the envelope.
- Please try to avoid post-dating cheques, unless absolutely necessary.

If you put in one envelope money that counts for other envelopes, please staple them together, actually there is no need to use past envelopes e.g. \$50.00 offered for 5 Sunday, need only one envelope. The amount is registered for tax purposes not the dates that the offering was made.

### Calling the Rectory

Please remember when calling the rectory and leaving messages for Fr. Frank, for Fr. George or the office to please speak clearly and slowly. When leaving your name and telephone number please includes the best time to reach you. Thank you.

## From Religion to Relationship

### A Personal Experience of God

A Silent Ignatian Weekend Retreat for Men

Friday, November 6, 2020 7:00 pm to

Sunday, November 8, 2020 1:00 pm

Manresa Jesuit Spiritual Renewal Centre

2325 Liverpool Rd., Pickering

Learn the basics of praying in the Jesuit tradition.

Understand the essential elements of Jesuit spirituality, a spirituality for busy, active people. St. Ignatius Loyola wanted Jesuits to be "contemplatives in action" but the busyness of our lives is often the thing that distracts us most from God. Learn to develop your awareness of God's presence in your life. Develop the tools for deepening your relationship with God while maintaining all your usual commitments to family and work.

Facilitated by Fr. Michael Rosinski, SJ. A suggested offering of \$225 per person includes two-night accommodation, meals, program and spiritual direction.

## Message from the Archdiocese of Toronto

In light of the present situation unfolding before us regarding the coronavirus (COVID-19) worldwide, our primary concern is the spiritual and physical health and welfare of the faithful and of all those who serve at our parishes, recognizing that we also have a duty to care for the community at large and the most vulnerable among us.

While challenging days remain, we must also recognize the opportunity to be truly present to one another and to care for those who are struggling. These moments of uncertainty call each one of us to renew and amplify our Christian commitment to prayer, reflection and helping others. May we continue to pray for all those infected with COVID-19, those caring for the sick and for one another. May God bless you always.

## Please remember in your prayers...

Those who are suffering from illness. They and their loved one need our constant prayers and support, the souls of the deceased and those who mourn them.
